Cintia,

Do you have information regarding the amount of rooms Mexico will need at the Skirvin hotel?

Best regards,

Nadtya

Good morning,

I just wanted to follow up on Luis' message below and see if Canada and Mexico can share the information with us regarding number of rooms needed as soon as possible.

Thanks in advance!

Subject: Principals Delegation-- number of rooms needed at Principal's hotel
Importance: High

Hello Cintia Y Agusti—

The Secretariat is preparing contracts with the venues and we are trying to firm up potential number of delegates/rooms at Skirvin so the Secretariat can advise on how many rooms should be on the contract, etc. I had estimated—for the Skirvin—which is the Principal's hotel—that we might need a Minister's room for each country + 8 rooms for their core delegation. The rest of the country delegations would stay at the Renaissance. In our case, our current estimate added to 12 rooms for the US. Attached is our draft delegation list who is anticipated to stay at Skirvin with Administrator Pruitt.

Would you have a sense of how many rooms Canada/Mexico would want at the Skirvin? Nathalie, please feel free to advise as well as I remember a lot of room trading last time.

If we do not get an estimate before I go on vacation, please work with Nadtya.

Thanks.
